

SURVEY OF FOREIGN EXPERTS - NEW YORK

CONFIDENTIAL

RIF

Major Duncan Lee

March 26, 1945.

Eric Staight

I enclose two photostatic enlargements of a Korean population map which you may find of interest.

This map was prepared by [redacted], [redacted], in May of 1927, for publication in the monthly bulletin put out by the Presbyterian Board of Foreign Missions. The legend is self-explanatory.

I have sent another copy to R & A and would appreciate your forwarding one of the enclosures to Major Frazee for Colonel Eifler's attention.
